Dear Friends:

My second session as state Senator for the 22nd District is well underway. I am thankful for every day that I have to serve you in the upper chamber of Missouri's lawmaking body. As your voice in Jefferson City, I represent the best legislative interests of northern Jefferson County. I am honored to be your bridge between local and state issues.

To truly ensure that your wellbeing is protected by the laws that my fellow legislators and I pass, I keep you and your family in mind on and off the Senate floor. This year, I sponsored legislation ending eminent domain abuse, preventing peace disturbances and protecting our children from sexual predators, and I co-sponsored legislation making the emissions testing process easier.

Because I know how challenging it can be to get a hold of the right people to answer questions, I have had this Community Services Directory prepared for you. Use it to locate and connect with the many government and private services available in your community. Because we live in an era driven by technology, I have included where possible, the e-mail addresses and Web sites of agencies and business so that communication is as easy as can be.

If the directory does not include something you're looking for, or if you have any questions, please contact my Capitol office at (573) 751-1492, and my staff will be happy to serve you. You can also call me if you have any concerns about state government that I can help address as your State Senator. I hope you are having a great 2006!

Sincerely,

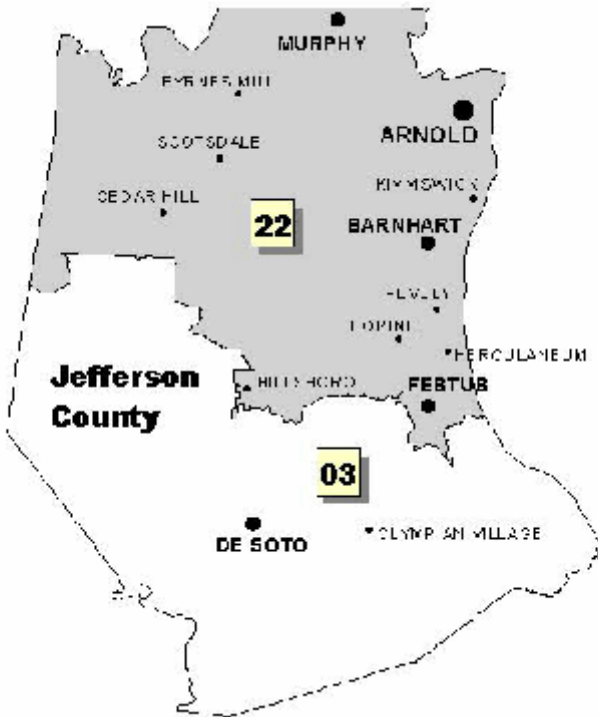

A handwritten signature in cursive script that reads "Bill Altier".
